

**2025 International Symposium on Energy,
Environmental and Material Science (ISEEMS-2025)
Changsha, Hunan, China**

September 19-22, 2025

Central South University of Forestry and Technology, China
Chemical Industry and Engineering Society of Shanxi, China
Hirosaki University, Japan
Taiyuan University of Technology, China

**2025 International Symposium on Energy,
Environmental and Material Science (ISEEMS-2025)
Changsha, Hunan, China
September 19-22, 2025**

Venue: Central South University of Forestry and Technology, Changsha, Hunan, China

Date: September 19 - 22, 2025

We are extremely honored to extend our warmest invitation to you for the much-awaited ISEEMS-2025. This symposium will be held at the Central South University of Forestry and Technology in the vibrant city of Changsha, China, from September 19th to 22nd, 2025.

The ISEEMS-2025 Organizing Committee takes great pleasure in inviting you, your esteemed colleagues, as well as all university postdocs and students actively engaged in the fields of energy, environmental, and material science, to partake in this premier international conference. This event will serve as an outstanding platform for knowledge exchange, networking, and the exploration of the latest advancements and trends in these crucial scientific domains. We look forward to waiting your active participation and contributions, which will surely enrich the conference and foster fruitful collaborations.

Symposium Topics

With the theme of the efficient utilization of new energy sources such as hydrogen energy and biomass energy and their application in the field of environmental protection, it aims to discuss the development priorities, hot spots, frontier issues and future trends of energy and environmental materials, discuss the scientific research achievements, opportunities, challenges and future development directions of new energy and environmental materials from the perspective of academia and industrialization, pay attention to interdisciplinary integration, actively promote

scientific research and innovation, and cooperate and exchange between researchers and industry professionals.

Topics include, but are not limited to:

- 生物质能源转化前沿 Advances in Biomass Energy Conversion
- 生物质先进功能材料 Biomass Advanced Functional Materials
- 能源转换材料化学 Chemistry of Energy Conversion Materials
- 生物质化学品催化转化 Catalytic Conversion of Biomass to Chemicals
- 化学科学与环境工程 Chemical Science and Environmental Engineering
- 先进纳米材料与碳中和 Advanced Nanomaterials and Carbon Neutrality

Organizer

Co-host:

College of Materials and Energy, Central South University of Forestry and Technology
Chemical Industry and Engineering Society of Shanxi, China
Graduate School of Science and Technology, Hirosaki University
College of Chemistry and Chemical Engineering, Taiyuan University of Technology

Organizer:

College of Materials and Energy, Central South University of Forestry and Technology

International Academic Committee

Chairman:

Prof. Yiqiang Wu, Central South University of Forestry and Technology, China

Prof. Guoqing Guan, Hirosaki University, Japan

Prof. Guangwen Xu, Shenyang University of Chemical Technology, China

Members: (updating)

Prof. Jian Li, Northeast Forestry University, China

Prof. Jianchun Jiang, Nanjing Forestry University, China

Prof. Guanben Du, Southwest forestry university, China

Prof. Ning Yan, University of Toronto, Canada

Prof. Hui Zhang, Guangdong University of Technology, China; Western University, Canada

Prof. Qiang Yong, Nanjing Forestry University, China

Prof. Xueqing Qiu, Guangdong University of Technology, China

Prof. Yonghong Zhou, Institute of Forestry Chemistry, Chinese Academy of Forestry, China

Prof. Masaaki Okazaki, Hirosaki University, Japan

Prof. Toshiki Kanamoto, Hirosaki University, Japan

Prof. Shuangfeng Yin, Central South University of Forestry and Technology, China

Prof. Xu Wu, Taiyuan University of Technology, China

Prof. Shouxin Liu, Northeast Forestry University, China

Prof. Haipeng Yu, Northeast Forestry University, China

Prof. Fuxiang Chu, Chinese Academy of Forestry, China

Prof. Changzhu Li, Hunan Academy of Forestry, China

Prof. Qinglin Wu, Mississippi State University, USA

Prof. Rui Xiao, Southeast University, China

Prof. Zhifeng Zheng, Xiamen University, China

Prof. Zongde Wang, Jiangxi Agricultural University, China

Prof. Zhongyang Luo, Zhejiang University, China

Prof. Xu Zhang, Beijing University of Chemical Technology, China

Prof. Yongming Sun, Guangzhou Institute of Energy Conversion, Chinese Academy of Sciences, China

Prof. Runcang Sun, Dalian Polytechnic University, China

Prof. Feng Peng, Beijing Forestry University, China

Prof. Feng Xu, Beijing Forestry University, China

Prof. Jun Xie, South China Agricultural University, China

Prof. Jianzhang Li, Beijing Forestry University, China

Prof. Qingfeng Sun, Zhejiang A&F University, China

Prof. Ge Wang, International Bamboo and Rattan Center, China

Prof. Lihui Chen, Fujian Agriculture and Forestry University, China

Prof. Feng Wang, Dalian Institute of Physicochemistry, Chinese Academy of Sciences, China

Prof. Xiaohui Wang, South China University of Technology, China

Prof. Houfang Lu, Sichuan University, China

Special Guests (updating)

Prof. Chunbao Xu, City University of Hong Kong, Hong Kong, China

Prof. Liangbing Hu, Yale University, USA

Prof. Atsushi Tsutsumi, The University of Tokyo, Japan

Prof. Orlando Rojas, University of British Columbia, Canada

Prof. Lars Berglund, Royal Institute of Technology, Sweden

Prof. Po-yen Chen, University of Maryland, USA

Organization Committee

Chairman:

Prof. Xingong Li, Central South University of Forestry and Technology, China

Prof. Xiaogang Hao, Taiyuan University of Technology, China

Prof. Yan Qing, Central South University of Forestry and Technology, China

Prof. Abuliti Abudula, Hirosaki University, Japan

Members: (updating)

Prof. Xuli Ma, Taiyuan University of Technology, China

Prof. Feng Jiang, University of British Columbia, China

Prof. Li Shuai, Fujian Agriculture and Forestry University, China

Prof. Shujun Li, Northeast Forestry University, China

Prof. Xingxiang Ji, Qilu University of Technology, China

Prof. Junming Xu, Institute of Forestry Chemistry, Chinese Academy of Forestry, China

Prof. Yanjun Xie, Northeast Forestry University, China

Prof. Chaobo Huang, Nanjing Forestry University, China

Prof. Chuanling Si, Tianjin University of Science and Technology, China

Prof. Xinhua Qi, Nankai University, China

Prof. Yongcan Jin, Nanjing Forestry University, China

Prof. Zhaoji Chen, Wuhan University, China

Prof. Xin Guo, Central South University of Forestry and Technology, China

Prof. Zhiping Wu, Central South University of Forestry and Technology, China

Prof. Shuaiming He, Central South University of Forestry and Technology, China

Prof. Yun Duan, Taiyuan University of Technology, China

Prof. Shuangxi Nie, Guangxi University, China

Prof. Jun Li, Qinghai Institute of Salt Lakes, Chinese Academy of Sciences, China

Prof. Qiang Zhao, Shanxi Datong University, China

Assoc. Prof. Li Ji, Taiyuan University of Science and Technology, China

Assoc. Prof. Suwadee Kongparakul, Thammasat University, Thailand

Assoc. Prof. Chanatip Samart, Thammasat University, Thailand

Assit. Prof. Jenny Rizkiana, Institut Teknologi Bandung, Indonesia.

Call for Papers

Potential conference participants are invited to submit abstracts for oral or poster presentations no later than June 25th, 2025. Full papers should be submitted by July 25th, 2025. All papers must be written in English and will be reviewed by the scientific committee of the Conference. All accepted papers will be published in the conference proceedings. The selected papers will be published in the **Carbon Resources Conversion or Resources Chemicals and Materials**. Authors will be notified if their contribution is accepted by August 30th, 2025.

Registration Fees for ISEEMS 2025

	On or before July 5th, 2025	After July 5th, 2025
Participant	2000	2400
Students	1500	1800

Important dates

Call for papers: May 25th, 2025

Receipt of abstract deadline: June 25th, 2025

Full paper submission deadline: July 25th, 2025

Receipt of final manuscript deadline: August 30th, 2025

Early bird registration deadline: July 5th, 2025

Conference: September 19th-22nd, 2025

SECRETARIAT

Secretary-General:

Lin Zhang, Central South University of Forestry and Technology, Tel 15974247053

Secretary:

Lishu Shao, Central South University of Forestry and Technology, Tel 17378269085

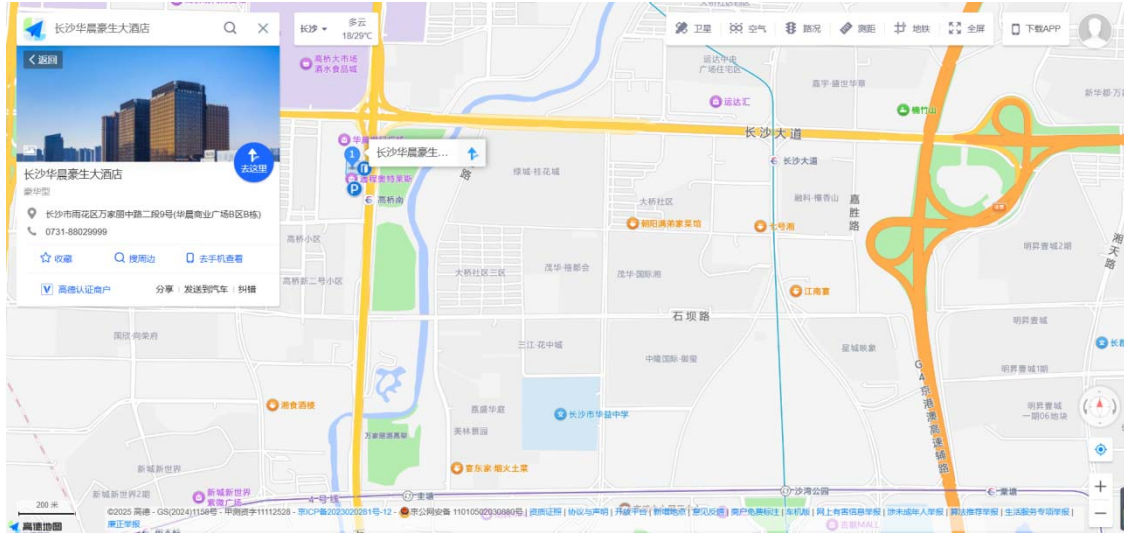

Jingxuan Yang, Taiyuan University of Technology, Tel 15103461801

Zhen Zhang, Central South University of Forestry and Technology, Tel 15574918947

Chao Liu, Central South University of Forestry and Technology, Tel 15079982432

Ying Zhu, Central South University of Forestry and Technology, Tel 19015875450

Conference Venue

Address: No. 9, Section 2, Wanjiali Middle Road, Yuhua District (Building B, Zone B, Huachen Commercial Plaza), Changsha, Hunan, China
